ABOUT US

WELCOME TO **MOTION MORPHS**

SEAMLESS EDITING, INFINITE POSSIBILITIES.

Our group of passionate creative experts who excel at turning boring footage into creative artwork.

By putting our creativity and an appetite for finesse to work, we establish strong links that keep viewers engaged and help your content and brand grow.

Our work yields seamless results, from creative rendering to professional corporate films.

Let's make the shift into world-class editing.

THE ROADMAP

1

UNDERSTAND

Once we receive your raw footage and project brief, we assign a qualified editor to outline and understand your requirements.

2

EDITING

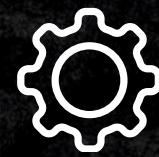

The assigned editor now works on the given footage according to the provided brief to produce impeccable results for you to review.

3

QUICK DRAFT

We deliver the first draft within 48 hours of receiving the brief for each edit. Feel free to chat with us at any time if you want to revisit anything.

4

FINAL RESULT

After revisions, we deliver the final edits within specified deadlines, and we close the project only when you are satisfied.

FAQs

Why should we choose your service?

Choose our service for high-quality video editing at a fraction of the cost of hiring a full-time senior-level editor, which typically exceeds ₹6,00,000 annually. With our flexible plans, you can choose to work on a project-basis as well as on affordable monthly plans. Additionally, we streamline freelancer management and quality assurance, ensuring a seamless experience for you.

How long does the video process take?

Our editors dive into your project the moment you provide the raw footage and the brief. With a commitment to quality, they focus on one project at a time, ensuring you're always a top priority. We strive for excellence with an optimized balance between quality and speed. You'll receive a delivery time based on your project's length, and we guarantee completion within that timeframe. If you have urgent needs, just let us know, and we'll accommodate.

FAQs

How can I send big files to you?

There is no limit on size. You can send smaller files directly on Mail or you can submit files that are big in size through Google Drive, Dropbox, WeTransfer, or any other file transfer website that you prefer.

How do you approach a project that requires custom effort?

If you have a complex project, don't worry. Reach out to us and we'll have a conversation tailored to your specific needs. Together, we'll address any challenges or concerns and work towards finding the perfect solution.

How do revisions work if I'm not satisfied?

That's highly unlikely, but in case you're not satisfied with the final product you have the right to a revision, you can always ask for one, and according to your requirements, changes will be made to the video.

How do I ensure the authenticity of this service?

Feel free to schedule a meeting with us at a time that is convenient for you. We are happy to address any and all of your concerns.
